Guzzi® accessories

Yaşam alanlarımız, estetik görünümün yanı sıra konfor ve kullanım kolaylığı sunan çözümlerle şekilleniyor. Bu dönüşümde perde sistemleri ve onları tamamlayan aksesuarlar, mekânın karakterini belirleyen önemli unsurlar arasında yer alıyor.

Guzzi olarak; stor ve rustik sistemlere yönelik geliştirdiğimiz metal ve mekanik aksesuarlarla, hem görsel bütünlüğü hem de işlevselliği bir arada sunuyoruz. Ürünlerimiz, tek başına güçlü bir tasarım unsuru olmasının yanı sıra, birlikte kusursuz çalışan bir sistemin parçası olacak şekilde tasarlanmaktadır.

Parlak metalik yüzeylerden fırın boyalı ve özel patine renk seçeneklerine uzanan geniş ürün yelpazemizle, farklı mekânlara uyum sağlayan çözümler geliştiriyoruz.

Bu katalogda yer alan her ürün; estetik, dayanıklılık ve kullanım kolaylığını bir araya getirerek, yaşam alanlarınıza değer katmak üzere tasarlanmıştır.

Koleksiyonumuzu keşfederken, her detayın bütün içindeki değerini hissedeceğinize inanıyoruz.

Ürünlerimizi keyifle incelemenizi dileriz.

Living spaces today are shaped not only by aesthetics, but also by solutions that offer comfort and ease of use. In this transformation, curtain systems and their complementary accessories play a key role in defining the character of a space.

At Guzzi, we bring together visual harmony and functionality through the metal and mechanical accessories we develop for roller blind and rustic systems. Our products are designed not only as strong design elements on their own, but also as integral parts of a system that works seamlessly together.

With a wide range of products extending from glossy metallic finishes to powder coated and specially patinated color options, we offer solutions that adapt to a variety of interior styles.

Each product featured in this catalog is designed to combine aesthetics, durability, and ease of use, adding value to your living spaces.

We believe that as you explore our collection, you will appreciate the value of every detail within the whole.
